To Whom It May Concern,

this letter is to formally verify that Mr. Pratik Mojumder has been serving as a Junior Editorial Assistant at the Journal of Environmental Issues and Climate Change (JEICC) from June 2023 to the present.

JEICC is a peer-reviewed, open-access international journal that focuses on interdisciplinary research related to environmental science, climate change, ecology, and biodiversity. In his capacity as Junior Editorial Assistant, Mr. Mojumder has been responsible for supporting the editorial team in several key areas, including but not limited to:

- Managing manuscript submissions and correspondence with authors and reviewers.
- Tracking the peer review process to ensure timely editorial decisions.
- Assisting in formatting and preparing accepted manuscripts for publication.
- Coordinating communication for journal issues and special editions.
- Providing technical and creative support in designing promotional materials for the journal and affiliated events.

Throughout his tenure, Mr. Mojumder has consistently demonstrated a strong work ethic, attention to detail, and a professional attitude toward all responsibilities. His contributions have significantly aided the smooth functioning of our editorial workflow and outreach efforts.

If you have any further information, please contact us at jeicc@rcsdevelopment.org.

Sincerely,

Dr. A.B.M. Kamal Pasha

Editor-in-Chief Journal of Environmental Issues and Climate Change (JEICC)
